rosterfy

LESS ADMIN. MORE VOLUNTEERS. REAL DIFFERENCE.

Give Every Athlete and Guest a Better Experience — Starting With Your Volunteers

Your volunteers are the event, as far as your athletes and guests are concerned. Rosterfy helps sports associations and event organizers turn volunteer admin into a competitive advantage.

The runner's first interaction is a bib-pickup volunteer. The golfer's confidence in a rules decision rests on a well-trained official. Every touchpoint your volunteers own becomes part of how your organization is judged.

But most sports organizations are still running volunteer programs on spreadsheets, PDFs, and email chains — burning staff time on data entry instead of building the relationships that keep volunteers coming back.

THE ROSTERFY DIFFERENCE

75%
reduction in day-to-day admin time

80%
typical volunteer retention rate

6-fig
annual savings commonly reported

WHY IT MATTERS FOR YOUR ORGANIZATION

- **Seamless registration** — volunteers register once and apply to multiple shifts without redoing paperwork
- **Real-time, on-the-day coordination** — QR-code check-in means you know who's on-site before a guest ever notices a gap
- **Automated compliance** — background checks and certifications tracked and renewed automatically, protecting your brand and insurance position
- **Built to scale** — from 400 volunteers to 400,000+ you can grow without increasing your headcount

Golf Association of Philadelphia

EST. 1897

America's oldest regional golf association was spending up to 75% of staff time on repetitive data entry across a custom 1990s database, spreadsheets, and email. With Rosterfy, GAP streamlined onboarding and scheduling for **450+ volunteers across 200+ event days a year** — cutting admin time by 75% and freeing staff to build community around the club instead of chasing paperwork.

> *"It was really that safety of knowing that we're picking a product that is well-respected, handling data compliance correctly and has the right tech behind it."*
>
> Laura Heien — Volunteer Operations, Golf Association of Philadelphia

MUDGIRL (Sportera)

USA · CAN · FRA · UK

A global obstacle race series, MUDGIRL manages **2,000+ volunteers with a core team of just 25**. Rosterfy's group and family volunteering features let sports clubs and families sign up and get scheduled together — turning volunteering into a shared tradition and retention into a few clicks instead of a fresh recruitment campaign every season.

> *"Rosterfy is our best tool for volunteer recruitment and retention. If they volunteered last year and I want them to come back, I can just use a quick filter to reach out to all attendees and get them back this year."*
>
> Beth Jobin — People and Culture Executive
